Dear Judge Aleta Trauger I am Shyla  
Aarion Fleming a friend of Benjamin Bratley.  
Your honor he is such a good person. I understand

his lesson. His children needs him. I was Ben-  
jamin co-worker he came to work everyday. Im  
So sorry to bother you. It would really be a blessing  
if he was to come home sometime in 2017.  
He's not a man who gets in trouble with the law  
continuously. He's a human who made a mistake.  
Happy New year Judge Aleta trauger please make a lot  
of people happy by considering to give Benjamin  
another shot to make things right thank you so
